The Arrogant Sons Of Bitches, Plaid Girl

Hey, plaid girl.
Come and skank at all the shows.
Its nice to known that someone goes
even though nobody cares.
When I was younger I wasn't much of a punker or a skanker
until one day I met this girl I'd like to thank her (thank you).
Let's jump on the bandwagon with all the other ska bands
Now that ska's gone mainstream, everyone's a fan.
I guess I'm just another trendy wanker.
