The Arrogant Sons Of Bitches, The Pez Song

I've had a bad week, its a bad bad world.

No friends, cash, success, still no girl.

New life's what I think I need.

Made a mistake that I can't change

or fix it up. Life's bad and strange.

I know just what I need.

Cigarettes? No. Rot my teeth. Make my smile yellow and my breath reek.

P-E-Z! Its all I got but all I need.

No alcohol. You'll make me fat. Make me sick I don't want that.

P-E-Z! Its all I got but all I need.

Its cheap, tastes good and doesn't smell.

With packs on ten, I share the wealth.

I like my P-E-Z.

Tons of flavors, every one kicks.

Its just a piece of candy, but I'm addict.

I like my P-E-Z.

Coffee- Yeah, good but dumb with the diner's \$2 minimum.

P-E-Z! Its all I got but all I need.

Acid- No, not today. I got more than enough messin' my brain.

P-E-Z! Its all I got but all I need.
