

The Artwoods, I Take What I Want

I take what I want
I'm a bad go-getter, yeah
Yes, I am
I'll never lose
And I'm never feed up, yeah
Oh, no
'Cos I take what I want
Yeah yeah, and baby, I want you
Yes you

I've been a-watching you sometimes
But I never said a word
Not one word
But now I'm gonna get you
And I'm gonna make you my girl
My loving girl
'Cos I take what I want
Oh yeah, and baby, I want you

I'm gonna pick you up now
And carry you away, yes, I am
So you better pack up now, baby
Pack it up today
Here I come
Just a big, bad man
When I walk away, baby
You'll be holding my hand

'Cos I take what I want
I'm a bad go-getter, yeah
Yes, I am
But now I'm gonna get you
And I'm gonna make you my girl
My loving girl
'Cos I take what I want
Oh yeah, and baby, I want you, yeah
I want you
