

# The Artwoods, I Take What I Want

I take what I want  
I'm a bad go-getter, yeah  
Yes, I am  
I'll never lose  
And I'm never feed up, yeah  
Oh, no  
'Cos I take what I want  
Yeah yeah, and baby, I want you  
Yes you

I've been a-watching you sometimes  
But I never said a word  
Not one word  
But now I'm gonna get you  
And I'm gonna make you my girl  
My loving girl  
'Cos I take what I want  
Oh yeah, and baby, I want you

I'm gonna pick you up now  
And carry you away, yes, I am  
So you better pack up now, baby  
Pack it up today  
Here I come  
Just a big, bad man  
When I walk away, baby  
You'll be holding my hand

'Cos I take what I want  
I'm a bad go-getter, yeah  
Yes, I am  
But now I'm gonna get you  
And I'm gonna make you my girl  
My loving girl  
'Cos I take what I want  
Oh yeah, and baby, I want you, yeah  
I want you
