

The Association, Everything That Touches You

(Terry Kirkman)

In my most secure moments, I still can't believe
I'm spending those moments with you
And the ground I am walking, the air that I breathe
Are shared at those moments with you
You love for real, you show the feel
Of everything that touches you
In the songs I've been singing, quite often a phrase
Comes close to the feeling of you
BUT I never suspected that one of those days
The wish of a song would come true
You love for real, you show the feel
Of everything that touches you
You are of gracefulness, you are of happiness
You are what I would guess to be most like
What I've been singing of
Love, love, love, love
In the songs I've been singing, quite often a phrase
Comes close to the feeling of you
But I never suspected that one of those days
The wish of a song would come true
You love for real, you show the feel
Of everything that touches you
Love, love, love, love
