

# The Ataris, Alone In Santa Cruz

Did I ever tell you that I really love you...  
and I think about you all day?  
I really miss you and wish I could kiss you  
but why are you so far away?

(Chorus)

Since you've been gone  
I've thought over and over about you inside my  
head

and where I went wrong, where I went wrong

Everyday...

I've been thinkin' alot about all of the things  
you'd say

Since I went away...

Since I went away...

I guess I could call you  
and ask you "How are you";

But I really don't have much to say

I sit all alone

and I stare at the phone

and I hope that you're doing o.k.

(REPEAT CHORUS)
