

The Ataris, Between You And Me

Won't you come over?
You know that you want to.
How does it feel to know
I still want you?

Why do we always seem to want
what we can't have?
Lessons learned.
But then I listen to my heart,
And it says still run back for more.

I'm happy for you.
I'm sure that he really loves you.
But it breaks my heart,
To know I can't hold you.

(yeah)

It's just hard to think
I'll never get the chance
To say you're mine.
But every time you hear this song
You'll know you've made a mark
On my heart and my mind.
