

The Autumn Offering, Decay

Just one more high
This life is all I know
Hide in myself
I'm condemned by myself
I'll decay before my time
Choking upon this
Guilty deed of mine
Home on the floor
You can hit me once more
Will power is dead and gone

Confined
This guilty deed of mine
My life
I'll decay before my time
Confined

Just sit back
And watch it all
I can't be what
You want from me
Regret has set
And sank its teeth in me
Into the skin
Not knowing when I will win
Bruised body is all I hold
It's not my choice
I have no grip on this
Blinded by light
Always losing my fight
Just crumble and lose it all

Confined
This guilty deed of mine
My life
I'll decay before my time
Confined
