

# The Avett Brothers, One Line Wonder

I love you but I can't remember why  
Stars fallin' from high forgotten sky  
I was a one-line wonder in my own love song

I keep a little journal by my bed  
Dreams help me find the words I haven't said  
Like when a little girlie said goodbye to me

From behind a screen door  
I won't see her again I'm sure  
Didn't I say I need you  
I tried to move on but I can't  
I tried to think of bad times  
Good memories are all I have

I love you but I can't remember why  
I'd love to find a reason to deny  
I was a one-hit wonder in my own hometown

And I guess I might have made a few mistakes  
But maybe that's exactly what it takes  
To get a little happy in this big sad world

How many have you made  
And which of those have you laid on down to die  
Well didn't I say I need you  
I tried to move on but I can't  
I tried to think of bad times  
Good memories are all I have
