

# The B-52's, Is That You Mo-Dean?

Waitin' for bus #99  
Goin' to the store for hot dogs and wine!  
When all of a sudden, I felt real cold  
And wound up in the belly of a big ol' UFO  
On the bus, to the plane  
To the UFO and to outer space baby  
On the bus, to the plane, baby yeah  
Take me away

## CHORUS

Is that you Mo-Dean?  
It's me Mo-Dean  
Is that you Mo-Dean?  
On a UFO  
Is that you Mo-Dean?  
It's me Mo-Dean  
The interdimensional outer space being

Movin' through the spheres, faster than light  
On our way to some planets that were outta sight  
We said space driver, give it a spin  
And take us to some places we ain't never been

On the bus, to another plane  
To the UFO and outer space baby  
On the bus, to the plane, baby yeah!  
Take me away

## CHORUS

Is that you Mo-Dean?  
It's me Mo-Dean!

I say at which depot do we depart from this UFO?  
Well it had been 987 years in outer space time when I got back  
Couldn't seem to find any of my friends to tell my interesting stories to  
Past life

On the bus, to the plane  
To the UFO and outer space baby  
On the bus, to the plane  
Baby yeah!  
Take me away

## CHORUS

Is that you Mo-Dean?  
It's me Mo-Dean
