

# The Band, The Last Waltz Suite: Out Of The Blue

CHORUS:

Out of this world  
Out of this mind  
Out of this love for you  
Out of this world  
Out of the blue  
Out of this love for you

Sometimes I don't know you  
You're like someone else  
But that's alright  
I'm a stranger here myself

She don't shed a tear  
When I walk out that door  
She knows, she knows  
I'll be coming back for more

CHORUS

It's in the cards  
It's written in the stars  
It's in the wee-wee hours  
In some lonely bar

She don't stay up all night  
And walk the floor  
She knows damn well  
I'll be coming back for more

CHORUS
