

The Band, The Last Waltz Suite: Out Of The Blue

CHORUS:

Out of this world
Out of this mind
Out of this love for you
Out of this world
Out of the blue
Out of this love for you

Sometimes I don't know you
You're like someone else
But that's alright
I'm a stranger here myself

She don't shed a tear
When I walk out that door
She knows, she knows
I'll be coming back for more

CHORUS

It's in the cards
It's written in the stars
It's in the wee-wee hours
In some lonely bar

She don't stay up all night
And walk the floor
She knows damn well
I'll be coming back for more

CHORUS
