

# THE BANGLES, Everything I Wanted

You were standing like a statue in the light  
And it looked like just like perfection in my eyes  
When I spoke I staggered from the flow  
Once I touched I never could let go, oh, oh, oh  
This is what I waited for  
Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted  
For a while  
So we whispered every secret we could tell  
And we painted lovely pictures on ourselves  
Though we hid the parts we did not want to know  
As the strenght of our illusions took control, oh, oh, oh  
This is what I waited for  
Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted  
I never know if my heart tells lies  
Caught in a feeling I just can't fight  
Thirst like a warning too  
Then come back around  
Turn the clock back around  
Oh, oh, oh, oh  
This is what I waited for  
Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted
