THE BANGLES, Restless

Saw your head turned a bit too far to the right now Saw the eye go a little spark when she walks by now But if you wanna love You wanna love another girl I'll leave it up to you But I won't be tested (You feel restless now) While you feel restless (restless) Now I'm wondering every time that you hold me Well, should I question anything you have told me But if you wanna love You wanna love another girl I'll leave it up to you But I won't be tested (You feel restless now) While you feel restless (restless) yeah I remember when you and I were a nation I could trust you in any dark situation But if you wanna love You wanna love another girl I'll leave it up to you But I won't be tested (You feel restless now) While you feel restless (restless)
