

THE BANGLES, The Rain Song

I don't think about us much anymore
Frankly, the topic has become a bore
And you don't come up much in my conversation
I don't think about you on vacation
But when it rains
When it rains
When it rains
That's when I remember
That's when I remember
I remember you
I remember you
I don't think about you when I'm sleeping
It doesn't even cross my dreamlike mind
I don't think I see your face through the curtains
Hell, I don't even miss you half the time
But when it rains
When it rains
When it rains
That's when I remember
That's when I remember
I remember you
I remember you
I'm doing fine as long as you stay locked up
Inside a cloud of grey
Rain, rain
Rain, rain, rain
Rain, rain, rain
But when it rains
When it rains
When it rains
But when it rains
When it rains
When it rains
That's when I remember
That's when I remember
I remember you
I remember you
Well that's when I remember
The only time I remember
When I remember you
