

# THE BANGLES, Waiting For You

I get so restless here alone  
That's why I call you on the phone  
I get nervous, over-anxious, lose control  
Waiting for you, baby  
Lately I dream that I'm in your arms  
When you're here I feel I'm safe from harm  
I'd do anything that you want, babe  
Anything at all  
And I'm waiting for you to see  
You mean the world to me  
Stars and the moon wait for you in my lonely room  
The warmth of the sun is in your smile  
I get so restless here alone  
That's why I call you on the phone  
I'd do anything that you want, babe  
Anything at all  
And I'm waiting for you to see  
You mean the world to me  
Waiting for you
