

# THE BANGLES, Where Were You When I Needed

Don't bother cryin'  
Don't bother crawlin'  
It's all over now  
No use in stallin'  
The love I once felt  
I don't feel anymore for you  
This time I'll even  
Open the door for you  
You walked out  
When I was down  
Well now I'm well off  
And look who's comin' around  
Where were you when I needed you  
Where were you when I wanted you  
Where were you when I needed you

Now I'm back on my feet  
And look who's standing there  
Where were you when I needed you  
Where were you when I wanted you  
Where were you when I needed you  
Where

And you were so wild  
I knew you were nobody's  
Innocent child  
The first day I saw you  
You really got to me  
I thought I could change ya  
What good did it do me  
Things got rough  
And I couldn't wait  
Now you're trippin' back  
But babe, it's too late  
Where were you when I needed you  
Where were you when I wanted you  
Where were you when I needed you  
Where
