

The Battered Ornaments, Smoke Rings

Smoke rings and things in the air
Fire burn to learn what is there
What is it you do?
It's too much for the brain

Down down, drown drown wishing well
Wish wish, fish fish don't tell
It's all in the smoke and rings
and things in your hair

Three times I have choked
Three times the cock has crowed
Three times you let me down

Down down, drown drown wishing well
Wish wish, fish fish don't tell
It's all in the smoke and rings
and things in your hair
