

# The Beach Boys, Graduation Song

I love the colorful clothes she wears  
And the way the sunlight plays upon her hair  
I hear the sound of a gentle word  
On the wind that lifts her perfume through the air  
I'm picking up good vibrations  
She's giving me excitations  
Good bop bop, good vibrations  
Bop bop, excitations  
Good, good, good, good vibrations  
Close my eyes, she is somehow closer now  
Softly smile, I know she must be kind  
When I look in her eyes  
She comes with me to a blossom world  
I don't know where but she sends me there  
Oh my my my, what a sensation  
Oh my my, what elation  
Got to keep those loving good vibrations

happening with her
