

# The Beach Boys, Heros And Villians

I've been in this town so long that back in the city  
I've been taken for lost and gone  
And unknown for a long long time

Fell in love years ago  
With an innocent girl  
From the Spanish and Indian home  
Home of the heroes and villains

Once at night Cotillion Square divine  
And she was right in the rain of the bullets that eventually brought her down  
But she's still dancing in the night  
Unafraid of what a dude'll do in a town full of heroes and villains

Heroes and villains  
Just see what you've done

Heroes and villains  
Just see what you've done

Stand or fall I know there  
Shall be peace in the valley  
And it's all an affair  
Of my life with the heroes and villains

My children were raised  
You know they suddenly rise  
They started slow long ago  
Ended up healthy wealthy and wise

I've been in this town so long  
So long to the city  
I'm fit with the stuff  
To ride in the rough  
And sunny down snuff I'm alright  
By the heroes and

Heroes and villains  
Just see what you've done

Heroes and villains  
Just see what you've done
