

# The Beach Boys, Remember

Remember  
Remember  
Remember  
Remember  
&quot;walking in the sand&quot;;

Seems like the other day  
My baby went away  
She went away across the sea

It's been two years or so  
Since I saw my baby go  
And then this letter came for me

Oh it said that we were through  
She's found somebody new  
Oh baby's gone what can I do

Remember  
Remember  
Remember  
Remember  
&quot;walking in the sand&quot;;

(remember)  
Hey I remember  
(&quot;walking in the sand&quot;)  
&quot;walking in the sand&quot;;  
(remember remember)  
(&quot;walking in the sand&quot;)  
Walking hand in hand  
(&quot;walking in the sand&quot;)  
&quot;walking in the sand&quot;;  
(remember remember)  
(&quot;walking in the sand&quot;)  
Walking hand in hand  
(&quot;walking in the sand&quot;)

Ahhhhh  
Ahhhhhhh  
Ahhhhhhhhh

Ahhhhhhhhh

I want to know  
What ever happened to  
The little girl I once knew  
She said that she'd be true

(remember)  
(remember)  
Remember  
Hey I remember  
(&quot;walking in the sand&quot;)  
&quot;walking in the sand&quot;;
