

The Beach Boys, Steamboat

The river's a bed of sweet berries and flowers
Banks of thirsty lies
(Please be careful)
The stream is an eyeglass of heroes
Bridged with bright replies
The creek is a funnel of forgiveness
Winning every prize
Steamboat of living ever faithfully ride.
The river's a dream in a waltz time
Banks of jasper glaze
(Have a ball and sing)
The stream is a timepiece of children
Bridged with crystal haze
The creek is a trumpet of hard times
Blowing tasty days
Steamboat of living ever faithfully glide.
