

The Beach Boys, Susie Cincinnati

Susie Cincinnati
Got a groovy little motor car
She lives for the night
And her husband's a security guard
Her looks aren't exactly a plus
A-but it doesn't matter to us
Because she knows where it's at
And she gets you there in seconds flat
She knows all the honkies
And the kids are all home in bed
(Ooo ride Susie Cincinnati ride)
She'd rather do this
Than anything else instead
(Ooo ride Susie Cincinnati)
She got the nicotine fit
And before she discovered it
Everybody in the back seat suffocated
Susie Cincinnati we thought you were a winner
Susie Cincinnati city's number one sinner
Yeah
Susie Cincinnati we thought you were a winner
Woah
Susie Cincinnati city's number one sinner
(Get yourself together)
Susie Cincinnati we thought you were a winner
Susie Cincinnati city's number one sinner
Yeah
Susie Cincinnati we thought you were a winner
Yeah
Susie Cincinnati city's number one sinner
Woah yeah
She'll always pick you up
When the others go and let you down
(To the ride to the ride Susie Cincinnati)
In her little red cab she's scootin' all over town
(To the ride to the ride Susie Cincinnati)
She's gotta mind the meter too
All polished up it shines for you
But it's just for looks
Because she'll give the ride free to you
Yeah
Susie Cincinnati
Susie Cincinnati
Susie Cincinnati
Oh baby what you do
Susie Cincinnati
