

# The Beastie Boys, No Sleep Till Brooklyn

(chorus) No sleep 'til - Brooklyn

Foot on the pedal - never ever false metal  
Engine running hotter than a boiling kettle  
My job's ain't a job - it's a damn good time  
City to city - I'm running my rhymes  
On location - touring around the nation  
Beastie Boys always on vacation  
Itchy trigger finger but a stable turntable  
I do what I do best because I'm willing and able  
Ain't no faking - your money I'm taking  
Going coast to coast - watching all the girlyies shaking  
While you're at the job working nine to five  
The Beastie Boys at the Garden - cold kickin' it live

(bridge) No sleep 'til -

Another plane - another train  
Another bottle in the brain  
Another girl - another fight  
Another drive all night  
Our manager's crazy - he always smokes dust  
He's got his own room at the back of the bus  
Tour around the world - you rock around the clock  
Plane to hotel - girls on the jock  
We're thrashing hotels like it's going out of style  
Getting paid along the way cause it's worth your while  
Four on the floor - Adrock's out the door  
M.C.A.'s in the back because he's sleezin' with a whore  
We got a safe in the trunk with money in a stack  
With dice in the front and Brooklyn's in the back

(repeat bridge)

(repeat chorus)

Ain't seen the light since we started this band  
M.C.A. - get on the mic my man  
Born and bred Brooklyn - U.S.A.  
They call me Adam Yauch - but I'm M.C.A.  
Like a lemon to a lime - a lime to a lemon  
I sip the def ale with all the fly women  
Got limos, arena, TV shows  
Autograph pictures and classy hoes  
Step off holmes - get out of my way  
Taxing little girlyies from here to L.A.  
Waking up before I get to sleep  
Cause I'll be rocking this party eight days a week

(repeat chorus)
