The Beatles, Across The Universe

Words are flowing out like endless rain into a paper cup They slither wildly as they slip away across the universe Pools of sorrow, waves of joy are drifting through my opened mind Possessing and caressing me

Jai Guru Deva, Om Nothing's gonna change my world Nothing's gonna change my world Nothing's gonna change my world Nothing's gonna change my world

Images of broken light which dance before me like a million eyes They call me on and on across the universe Thoughts meander like a restless wind inside a letter box They tumble blindly as they make their way across the universe

Jai Guru Deva, Om Nothing's gonna change my world Nothing's gonna change my world Nothing's gonna change my world Nothing's gonna change my world

Sounds of laughter, shades of life are ringing through my opened ears Inciting and inviting me Limitless undying love which shines around me like a million suns And calls me on and on across the universe

Jai Guru Deva, Om Nothing's gonna change my world Jai Guru Deva Jai Guru Deva
