

The Beatles, Act Naturally

They're gonna put me in the movies
They're gonna make a big star out of me
We'll make a film about a man that's sad and lonely
And all I gotta do is act naturally

Well, I'll bet you I'm gonna be a big star
Might win an Oscar you can never tell
The movies gonna make me a big star
'Cause I can play the part so well

Well I hope you come and see me in the movies
Then I know that you will plainly see
The biggest fool that ever hit the big time
And all I gotta do is act naturally

We'll make the scene about a man that's sad and lonely
And beggin down upon his bended knee
I'll play the part but I won't need rehearsal
All I gotta do is act naturally

Well, I'll bet you I'm gonna be a big star
Might win an Oscar you can never tell
The movies gonna make me a big star
'Cause I can play the part so well

Well I hope you come and see me in the movies
Then I know that you will plainly see
The biggest fool that ever hit the big time
And all I gotta do is act naturally
