The Beatles, Act Naturally

They're gonna put me in the movies They're gonna make a big star out of me We'll make a film about a man that's sad and lonely And all I gotta do is act naturally

Well, I'll bet you I'm gonna be a big star Might win an Oscar you can never tell The movies gonna make me a big star 'Cause I can play the part so well

Well I hope you come and see me in the movies Then I know that you will plainly see The biggest fool that ever hit the big time And all I gotta do is act naturally

We'll make the scene about a man that's sad and lonely And beggin down upon his bended knee I'll play the part but I won't need rehearsal All I gotta do is act naturally

Well, I'll bet you I'm gonna be a big star Might win an Oscar you can never tell The movies gonna make me a big star 'Cause I can play the part so well

Well I hope you come and see me in the movies Then I know that you will plainly see The biggest fool that ever hit the big time And all I gotta do is act naturally
