The Beatles, Glass Onion

I told you about strawberry fields You know the place where nothing is real Well here's another place you can go Where everything flows Looking through the bent backed tulips To see how the other half live Looking through a glass onion

I told you about the walrus and me, man You know that we're as close as can be, man Well here's another clue for you all The walrus was Paul Standing on the cast iron shore, yeah Lady Madonna trying to make ends meet, yeah Looking through a glass onion Oh yeah, oh yeah, oh yeah Looking through a glass onion

I told you about the fool on the hill I tell you man he's living there still Well here's another place you can be Listen to me Fixing a hole in the ocean Tryin' to make a dovetail joint Looking through a glass onion
