The Beatles, I've Just Seen A Face

I've just seen a face I can't forget the time or place where we just met She's just the girl for me And I want all the world to see we've met Mm mm mm mm mm

Had it been another day I might have looked the other way And I'd have never been aware But as it is I'll dream of her tonight La la la la la

Falling, yes I am falling And she keeps calling Me back again

I have never known the like of this I've been alone and I have missed things And kept out of sight For other girls were never quite like this Da da da da da

Falling, yes I am falling And she keeps calling Me back again

Falling, yes I am falling And she keeps calling Me back again

I've just seen a face I can't forget the time or place where we just met She's just the girl for me And I want all the world to see we've met Mm mm mm mm mm

Falling, yes I am falling
And she keeps calling
Me back again
Falling, yes I am falling
And she keeps calling
Me back again
Oh, falling, yes I am falling
And she keeps calling
Me back again
