

# The Beatles, She said, She said

he said &quot;I know what it's like to be dead.  
I know what it is to be sad&quot;  
And she's making me feel like I've never been born.  
I said &quot;Who put all those things in your head?  
Things that make me feel that I'm mad  
And you're making me feel like I've never been born.&quot;  
She said &quot;you don't understand what I said&quot;  
I said &quot;No, no, no, you're wrong&quot;  
When I was a boy everything was right  
Everything was right  
I said &quot;Even though you know what you know  
I know that I'm ready to leave  
'Cause you're making me feel like I've never been born.&quot;  
She said &quot;you don't understand what I said&quot;  
I said &quot;No, no, no, you're wrong&quot;  
When I was a boy everything was right  
Everything was right  
I said &quot;Even though you know what you know  
I know that I'm ready to leave  
'Cause you're making me feel like I've never been born.&quot;  
She said , she said &quot;I know what it's like to be dead&quot;  
(&quot;I know what it's like to be dead&quot;)  
I know what it is to be sad...
