You're way to beautiful, girl  
That's why it will never work  
You had me suicidal, suicidal  
When you say it's over  
Damn all these beautiful girls  
They only wanna do you dirt  
They'll have you suicidal, suicidal  
When they say it's over

You're way to beautiful, girl  
That's why it will never work  
You had me suicidal, suicidal  
When you say it's over  
Damn all these beautiful girls  
They only wanna do you dirt  
They'll have you suicidal, suicidal  
When they say it's over

See it started at the park, You stay chill at the dark  
Oh, when you took my heart, that's when we fell apart  
Cuz we both thought, that love last forever (last forever)  
They say we're too young, to get ourself's sprung  
We didn't care, we made it very clear  
And they also said, that we couldn't last together (last together)  
See it's very define, you're one of a kind  
But you're much on my mind, you're often get decline  
Oh lord, my baby you're driving me crazy

You're way to beautiful, girl  
That's why it will never work  
You had me suicidal, suicidal  
When you say it's over

Damn all these beautiful girls  
They only wanna do you dirt  
They'll have you suicidal, suicidal  
When they say it's over

It was back in 99, watching movies all the time  
Oh when I went away for doing my first crime  
And I never thought, that we was gonna see each other  
And then I came out, mommy move me down south  
Oh I with my girl who I thought was my world  
It came out to be, that she wasn't the girl for me  
See it's very define, you're one of a kind  
But you're much on my mind, you often get decline  
Oh lord, my baby you're driving me crazy

You're way to beautiful, girl  
That's why it will never work  
You had me suicidal, suicidal  
When you say it's over  
Damn all these beautiful girls  
They only wanna do you dirt  
They'll have you suicidal, suicidal  
When they say it's over

Now we are fussing and now we are fighting  
Please tell me why, I'm feeling slighted  
And I don't know, how to make it better (make it better)

You're dating other guys, you're telling me lies  
Oh I can't believe what I'm seeing with my eyes  
I'm losing my mind, and I don't think it's clever (think it's clever)

You're way too beautiful, girl  
That's why it will never work  
You had me suicidal, suicidal  
When they say it's over
