this day is gettin older and fading light is beautiful  
this wind is blowing colder and too soon i feel its pull  
still i took all my chances earned myself an even score try to learn  
my lessons well  
and i dont have the answers for those questions anymore only  
love can be both heaven and hell

so sturdy up sturdy up ur heart for the road is long ahead  
ill be with u even tho were apart  
but ur rod is urs to tread  
and so it goes and so it goes and so it goes  
slows ur mind mind mind  
so it goes and so it goes and so it goes slows ur mind mind mind mind mind

if u start then see it through

so sturdy up sturdy up ur heart for the road is long ahead  
ill be with u even tho were apart  
but ur rod is urs to tread  
and so it goes and so it goes and so it goes  
slows ur mind mind mind
