

The Beautiful Girls, Periscopes

Well I woke up last night, couldn't tell if I was dreaming.
I thought I saw the face of an angel and I heard her speaking to me.
She said my boy; don't fill up your head with trivial things.
Life's too beautiful for you to leave.

(CHORUS)

Just like periscopes up in the sky,
Well I have never seen a girl as beautiful as you in my whole life.
Things don't always go the way you plan them,
But if your going with the flow well then it makes it easier to bend.

I'll give you kisses on your neck just like I always promised.
You came into my mind like pictures of an earthly goddess.
She said my boy don't fill up your heart with nothing but love.
The truth that's true to you is truth enough.

(CHORUS)

Easier to bend

(CHORUS) x 2

All I need -
I don't need your inhibitions
All I need is to be free.
And I don't like no-one to tell me,
Just where I'm going because I can see.
I can see.
Show you all of my intentions,
Get this world belong to me.
Imitate all my inventions, a minute too late
Will never set you free.
Set you free.
