

# The Beautiful South, Property Quiz

All the secrets we have shared  
Have moved to a couple better paired  
So if he impales himself on javelin or spike  
I will try my best to be the perfect lookalike

And enter a property quiz

Every weed in the garden's mine but the lawnmower's his

And if his manhood needs the help of scaffold or even a winch  
I will gladly supplement that extra little inch  
And if it ever reaches tie-break at the property quiz  
If they've got my fingerprints on, they're my tits and fanny not his  
If they've got my fingerprints on, they're my not his

Now you've found someone new  
May I watch him do what I used to do  
So if he dies an ugly death or even if he faints  
I'll be there at the window with my face pressed up against

Maybe I shouted too loud  
Maybe you were blissfully deaf  
But I hope he's a better sport than he was a ref
