

The Beloved, Lose Yourself In Me

you, with that look in your eyes
who do you think about
as you fantasize?

oh, how i need your caress
anything you want
the answer is yes

lose yourself in me
lose yourself in me

oh, how i long for your touch
how you tantalise me
so much

just one fevered kiss from your lips
sends me heaven bound
permanent bliss

lose yourself in me
lose yourself in me
lose yourself in me
lose yourself in me

yeah you, girl of my dreams
well you turn me inside out
apart at the seams

just give me yourself body and soul
be forever mine
yeah, forever mine

lose yourself in me...
