The Benjamin Gate, Hands

The Benjamin Gate - Hands

Jesus, I felt You near me
Your hands giving life to my body
Your spirit healing life to me
Holding my heart in sweet security

(Chorus:)
God, I need Your grace
And Your Spirit rescue me
God, I need Your love
And Your grace shine through me

Jesus, You fill the space in me
Sealing these dreams in shapes of purity
Freeing my heart to deep eternity
Your Words burn the darkest parts of Me

(Chorus)
God, I need Your grace
And Your Spirit rescue me
God, I need Your love
Let Your grace shine through me

God, I seek Your face
Let Your Spirit rescue me
God, I need Your love
Let Your grace shine through me

God, I need Your grace
And Your Spirit rescue me
God, I need Your love
Let Your grace shine through me

Jesus Rescued Me (4x)
