

# The Benjamin Gate, Hands (Spinning Head Versi

Jesus i feel you near me  
your hands giving life to my body  
your spirit healing life to me  
holding my heart in sweet security

God i need your grace  
let your spirit rescue me  
God i need your love  
let your grace shine through me

Jesus you fill the space in me  
sealing these dreams in shapes of purity  
freeing my heart to deep eternity  
your words burn the darkest parts of me

God i seek your face  
let your spirit rescue me  
God i need your love  
let your grace shine through me

Jesus rescued me, Jesus rescued me
