

# The Benjamin Gate, Live Out Loud

Fire reflecting in these eyes  
Visions of You, imagine my surprise  
Sweat hot hands, cold shivers down my spine  
Visions of You, Your Spirit so divine

(Chorus:)

Live out, live out, live out loud  
Live out, live out, live out loud  
Live out, live out, live out loud

Your eyes pierce through this life of mine  
And bring me to give all that I can find  
Revelation my heart's desire  
Pull me up and out of the mire

(Chorus)

I am a witness  
I'm at the scene of this  
I'm throwing myself  
I'm throwing myself into You

(Chorus)

We will see You come again, Jesus
