

# The Benjamin Gate, Rush

I feel it in my fingers  
Feel it rushing down my spine  
Your love feeding life around me  
Cleansing my sick mind

(Chorus:)  
Your grace, Your grace  
Your grace, Your grace  
Oh, Jesus, Oh Jesus

I feel Your fire inside me  
Feel it rushing through my blood  
Your love breaking lies that bind me  
A revolution deep in love

(Chorus)

Come put Your head up in my heart  
Come put Your head up  
Come put Your head up in my heart  
My heart, my heart

Oh, Jesus, Oh Jesus
