

The Benjamin Gate, Violently

White lights flashing
Blood pouring violently
Fight got to get thru
Got to reach till we find You
Got to find You

(Chorus:)
Got to fight
Got to fight till we reach You
Got to reach till find You
(Chorus X 3)

Whispers
I can hear you screaming silently
Cries of joy, pain, or is it healing?

(Chorus X 4)
(Chorus X 4)
