

The Beta Band, Al Sharp

Is it because I'm beside myself with love
That I can't say these things to you, honey?
Or is it because I'm beside myself with guilt
That I can't say these things to you, honey?

You and me
Will never be
Fine
(You know I never even tried)
You and me must never be fine

Is it because a life beyond the heart was taken out for good?
Al Sharp, he got that money
All because the Power Ranger robots in the skies
Have called a war, to you honey

You and me (To you honey)
Will never be (To you honey)
Fine
(You know I never even tried)
You and me (To smile) (To you honey)
Must never be (To you honey)
Fine

Old Al Sharp, he laughs in the face of dark
Al Sharp, he laughs in the face of God
He tried the honey
(He's a liar and a cheat and he falls on the weak)
He tried for money

Thievin' on your mind
Thievin' on your mind, ah

You and me
(Thievin' on your mind, ah)
Will never be
Fine

(You know I never even tried)
You and me (Thievin' on your mind, ah) (To smile)
Must never be
Fine

(You know I never even tried)
You and me (Thievin' on your mind, ah) (To smile)
Must never be
Fine

(You know I never even tried)
You and me (Thievin' on your mind, ah) (To smile)
Must never be
Fine (Thievin')

(You know I never even tried)
You and me (Thievin' on your mind, ah) (To smile)
Must never be
Fine

(You know I never even tried)
You and me (Thievin' on your mind, ah) (To smile)
Must never be
Fine

(You know I never even tried)

You and me (Thievin' on your mind)
Will never be (Leavin' on your mind)
Fine (Never you mind)
(Never you mind, ooh)
