

The Birthday Massacre, Under The Stairs

You know you're too young for your age
I feel kind of sorry for you
Cause it's such a shame
You won't be laughing when I'm dead

Under stairs and no one cares I'm dead
And that is where I'll wait for you

Nothing here has changed
Maybe you should go and find
Someone else to blame
Cause you are gonna be sorry when I'm dead

Under stairs and no one cares I'm dead
And that is where I'll wait for you
