

The Black Crowes, Diamond Ring

Come on baby say my name
Well do you want to play a game
It feels so good it's almost pain
And every time is always the same

It could make a man insane
Well baby that's okay, that's okay

You're the reason I want to sing
You make me feel like a king
I love the sunshine that you bring
I think I'll buy you a diamond ring
A diamond ring
Baby baby say I do
And I'll spend my life with you

Baby lay down by my side
Baby don't you look divine
The way you smile should be a crime
You do it to me every time

It's a feeling that no one could deny
Baby tell me why
Tell me why
