

# The Black Crowes, Seeing Things

I find it hard to shed a tear  
You brought it all on yourself my dear  
Wrong, yes I may be  
Don't leave a light on for me  
'Cause I ain't comin' home  
It hurts me baby to be alone  
Yes, it hurts me baby

A hundred years will never ease  
Hearing things I won't believe  
I saw it with my own two eyes  
All the pain that I can't hide  
And this pain starts in my heart  
And this love tears us apart  
You won't find me bent down on my knees  
Ain't bendin' over backwards baby  
Not to please

'Cause I'm seeing things for the first time  
I'm seeing things for the first time, oh yeah  
I'm seeing things for the first time  
In my life, in my life

I used to dream  
Of better days that never came  
Sorry ain't nothin' to me  
I'm gone and that's the way it must be  
So please I've done my time  
Lovin' you is such a crime  
You won't fine me down on, on my knees  
Won't fine me over backwards baby  
Just to please

'Cause I'm seeing things for the first time  
I'm seeing things for the first time  
Seeing things for the first time  
Oh I'm seeing things for the first time  
Yeah, seeing things for the first time  
I'm seeing things for the first time  
Yeah, I'm seeing things for the first time  
In my life, in my life
