

The Black Eyed Peas, Fly Away

When the world changes, you adjust
So, on this joint right here we about to take flight ya'll
(Oo ooo) Check it out ya'll (Oo ooo) check it out ya'll
Yo Fergie what ya gonna do? (flip it up)
Yeah, what we came to do, show these people how we gonna do (mix it up)
Yeah, its Black Eyed Peas ya'll
So, check it out now (ay)

You're here, so gone
This dark has got suddenly turned into dawn
I know you've already been here too long, too long, too long
Although you won't see me fall from grace
You step on my soul as you walk away
My demise you'll never know
I'm letting you go

(Fly away now)
Flip it up flip it up get back on the truck
Got to keep moving keep reppin' it up
Mix it up mix it up time for the next stop
You got to go now and fill up yourself
(Fly away now, fly away now)
Switch it up switch it up go hop on that bus
Don't need to blow the horn I'll be tough, hey

You take me from me
With you forever, but darling I see
The world is who you belong to, not me
So I set you free

(Fly away now)
Flip it up flip it up get back on the truck
Got to keep moving keep reppin' it up
Mix it up mix it up time for the next stop
You got to go now and fill up yourself
(Fly away now, fly away now)
Switch it up switch it up go hop on that bus
Don't need to blow the horn I'll be tough, hey

I be fallin' up never fallin' down
'Cause I spread my wings and I glide around town

Fly, lover go
Find your nest, find your home
(Uh uh oh, uh uh uh oh)
I miss you so
Spread your wings, let it flow
(Uh uh oh, uh uh uh oh)

I be fallin' up never fallin' down
'Cause I keep it on a higher level, elevated ground

Flip it up flip it up get back on the truck
Got to keep moving keep reppin' it up
Mix it up mix it up time for the next stop
You got to go now and fill up yourself
