

# The Black Eyed Peas, What's Goin' Down

Yo what's up  
What's going down  
Let's start it up  
It's not too late  
It's not too late  
To start it up  
Yo what's up  
What's going down  
Let's start it up  
It's not too late  
It's not too late  
To start it up

Buckle up, here comes the shakedown  
We gon' turn it up, listen to the bass pound  
You got to react, high to the high hat  
Bounce to the boom bap, we gon' make your soul tap  
When we came through y'all was all mellow, mo  
We motivated a marsh pit like heavy metal  
Rock crowds from punk rock to soul  
And bring funk to monks and aunts and uncles  
What you getting good?  
We da real mother funklers  
Funk what you thunk we the ones that a funk up  
Cadillac trunk filled with B-E-P bumpers  
Now comprehend like ? thumpers

Yo what's up  
What's going down  
Let's start it up  
It's not too late  
It's not too late  
To start it up

Yo what's up  
What's going down  
Let's start it up  
It's not too late  
It's not too late  
To start it up

Rock hard hard rock  
Bombard your whole block  
Reinforce my fleet, the funk is non-stop  
Dance stars dance hard, I'm back with Weekends  
Tied a place in your face with shit that's leaving  
Yeah we be the main source serving up the main course  
Don't stop, planet rock, light source by the force  
Bang-bang, boogie-boogie up jump the jumpstart  
Ignite to take flight we rocked ya depart (where?)  
To the third part (what?) it's a trilogy  
(galactic voice)  
What you didn't know  
Ay yo we bring the bumps  
Bumps for your trunk and we making the funk-funk

Yo what's up  
What's going down  
Let's start it up  
It's not too late  
It's not too late  
To start it up

Yo what's up

What's going down  
Let's start it up  
It's not too late  
It's not too late  
To start it up

Yo we up again, listen up  
It's the Peas with the sound  
We's about the break out  
Shake the whole Earth now  
Bass down up and loud whenever we get..  
Set it off in your town  
Let ya know we all pound  
Whoever you are we gonna make you do it  
Whatever you do it just stop  
And dance to this  
This is the diggy-diggy-diggy-diggy rock-rock  
This is the diggy-diggy-diggy-diggy crew-crew
