## The Black Keys, Baby I'm Coming Home

Patiently awaiting for me To close the tab and hurry home The streets are paved with broken dreams And fantasies that we've outgrown

Sadie, I'll be coming home Baby, save me from the road Yeah, baby, I'm coming home

I buy the things that make you smile And send them with a kiss The road is winding home And only you know what I've really missed

Sadie, I'll be coming home Baby, save me from the road Yeah
