The Black Keys, I Cry Alone

My girl, my girl had a hold on me, So tight, so tight that I could not see, Girl, she had a hold on me, She held so tight that I could not see, My girl, my girl had a hold on me,

One day, one day I let her go, It hurt, it hurt so, you'll never know, One day, had to let her go, Hurt so bad that you cannot know, One day, one day I let her go,

At night, at night I cry alone, I weep, I weep 'til the early morn', At night, night I cry alone, I weep all night 'til the early morn', At night, at night I cry alone.
