

The Black Keys, If You See Me

If you see me comin',
Open up your door,
If you see me comin',
Open up your door,
I'll give you more lovin',
Than any man before,

When I hit your door,
You better treat me right,
When I hit your door,
You better treat me right,
Oh, I need you baby,
Got no time to,

I can do for you,
I'm gonna do for you,
If you do for me,
I'm gonna do for you,
I'll be your man,
If you ask me to.
