

# The Black Keys, Nobody But You

Nobody babe  
Nobody but you, darlin'  
Nobody babe  
Nobody but you, darlin'  
On my mind

Baby  
I need you, darlin'  
Baby  
I need you, darlin'

Nobody baby  
Nobody but you, darlin'  
On my mind

Baby  
I'm on my knees  
I'm beggin' you, babe, ah  
Don't leave me, darlin'  
If you leave me, baby  
My darlin'  
Will be in sorrow

Nobody babe  
Nobody but you, darlin'  
On my mind

Baby  
I love you, girl  
Baby  
I love you, girl

Nobody baby, hey  
Nobody but you, darlin'  
On my mind
